

Effective Thursday, January 1st, 2009, Caffe on the Green will cease operations and will not re-open at this location. Mayor Michael Bloomberg and the New York City Department of Parks, has decided to prematurely terminate our license agreement unjustifiably and without cause.

In this time of such high financial uncertainty, the city and its lack of responsible judgment and shortsightedness, has placed our employees into an uncertain and stressful position, facing Unemployment, and the loss of their future Pension and Health Care Benefits.

We are sure the community remembers what an abandoned dangerous eyesore this property was prior to Caffe on the Green's transformation into the beautiful venue it is today.

Caffe will be relocating locally, and hope to be up and running again soon with our present family of staff. Our website, Caffeonthegreen.com, will always be available and will keep you posted on our future plans. As our faithful clientele you will always have the option to sign up for our mailing list by clicking on the link Constant Contacts.

Caffe on the Green is grateful to our many loyal customers who have supported us for the past 17 years and were instrumental in creating the success that we are. Least we forget our dedicated staff who made it a reality.

On behalf of all of us, THANK YOU,
we look forward to serving you again soon.

**GOD BLESS YOU AND MAY ALL YOUR
DREAMS AND WISHES COME TRUE.**
